

## GYNAECOLOGY JOB DESCRIPTION

<b>Job Title</b>	<b>System Clinical Lead for Gynaecology Services</b>
<b>Band</b>	<b>Contract for service or Secondment £515 a day or £257.50 per session</b>
<b>Commitment</b>	<b>2 sessions/week with scope for flexibility</b>
<b>Tenure</b>	<b>31/12/2024</b>
<b>Responsible to</b>	<b>Associate medical director for development</b>
<b>Accountable to</b>	<b>MSE ICB Medical Director</b>

### ROLE PURPOSE / SUMMARY

The Mid and South Essex Integrated Care System will comprise the Integrated Care Board (ICB), which is the statutory body for the NHS, and the Integrated Care Partnership (ICP), which is a committee of the ICB, and brings together key health, care, community and voluntary sector organisations across the area.

The ICS has a bold ambition to deliver improved outcomes for our 1.2m population through our four Alliances, and we are placing clinical and professional leadership and the voice of our residents at the heart of realizing this ambition.

The System Clinical Lead for Gynaecology Services will play an important contribution to ensuring the ICS can discharge its four key purposes:

- improve outcomes in population health and healthcare
- tackle inequalities in outcomes, experience and access
- enhance productivity and value for money
- help the NHS support broader social and economic development

In addition, the post holder will be key in ensuring that the ICB realises its ambition of making the system distinctive, attractive and successful.

The post holder will support the Senior Responsible Officer for Gynaecology Services and the Medical Director in developing and articulating strategic direction, providing a compelling vision for the ICS' Gynaecology Services, Women's Health, and a broader supporting role in the ICS' strategic ambitions to:

- Reduce health inequalities
- Create opportunities for our residents
- Support health and wellbeing
- Bring care closer to home where safe and possible
- Transform and improve our services

The post holder will be expected to exemplify an inclusive and collaborative approach in the ICS. This will include:

- Demonstrating high quality leadership and supporting clinical and professional leaders across the ICS to also demonstrate the highest standards of leadership through their conduct.
- Leading by example and securing engagement with residents and partners as an integral part of all decision making so that it is embedded as a core value of the partnership.
- Aiming for excellence in everything we do, by influencing, coaching and challenging poor delivery to ensure high standards are achieved for the local population.
- Ensuring delivery for local residents is a principle upheld across the partnership, placing aside personal or organisational agendas for a more collaborative approach.
- Maintaining the highest standards of public accountability for safety, quality, and our use of resources.

All senior leaders in the ICS have a collective responsibility for working together to ensure the organisation is well led, successful and managerially supported, promoting integration and delivery.

## CONTEXT

The System Clinical Lead for Gynaecology Services is a new role, established to work across both aspects of the ICS (the Integrated Care Board and the Integrated Care Partnership). It plays a key role in translating strategic priorities into operational delivery with and for our communities, driving behaviour change, whilst seeking to complement, connect and amplify the work of system partners and citizens to achieve tangible outcomes for our communities.

The role reports to the Executive Medical Director, and supports the strategic planning and delivery of the ICS' strategic aims for Gynaecology services and contributes to broader ambitions of the ICS to:

- Create opportunities for our residents
- Support health and wellbeing
- Bring care closer to home where safe and possible
- Transform and improve our services

The post holder will work across our communities to reduce health inequalities, reinforce our work as anchor institutions, and strengthening our communities and will work closely with our Alliances, partners, residents, executives and clinical leads on activities in support of the delivery of Gynaecology services across our system and considers women's health following the letter from Lesley Regan to ICB Chief Executives.

The post holder will be required to work autonomously and will ultimately be accountable for the identifying, setting maintaining and improving our standards and Gynaecology and Women's Health outcomes at the same time looking for opportunities to create and reinforce common clinical pathways in Gynaecology care..

## KEY RESPONSIBILITIES

In line with the System's organisational objectives, the post holder will act as an ambassador supporting the development of strategic partnerships, health inequalities and prevention, the Anchor Charter and the People Promise.

## KEY RELATIONSHIPS

The post holder will need to build constructive relationships with partners from across the health and care system. Key relationships will be with:

- Health & Wellbeing Board Chairs and officers
- Local Authority partners
- NHS Providers
- Independent Service Providers
- ICB Medical Director
- ICB Director of Strategy & Partnerships
- ICB Chief People Officer
- ICB Chief Digital Information Officer
- Alliance Directors
- MSE Partners
- SRO for Gynaecology Services
- Network of local optometrists
- NHSEI regional partners
- VCSEF sector, local health entrepreneurs, campaigns groups and social media influencers and local employers
- System Clinical Leads for Health Inequalities and Maternity Services

## COMPETENCY BASED KEY DELIVERABLES

- Understanding of the System's assets and specific challenges.
- Support the successful establishment of Gynaecology services within the ICS, in line with national guidance and local wants and needs.
- With the SRO, set a transformative long term Gynaecology strategy ensuring the aims and objectives of the system are embedded and progressively built upon.
- Support the development of an Gynaecology action plan to improve Gynaecology outcomes for the population of Mid and South Essex initially focusing on holistic approaches to care through collaborative, multi-agency approaches to system working.
- Enable the ICB to achieve the 10 ambitions set out in The Women's Health Strategy for England.
- Set, maintain and improve of the standards, outcomes and clinical policies related to Gynaecology management across the system.
- Assure equity of outcome and value of service in the delivery of Gynaecology services across Mid and South Essex.
- Be an ambassador for Gynaecology services at system regional and national level and act the principal specialist advisor to the Medical Director on matters relating to Gynaecology.
- Keep current and provide evidence-based advice on the implementation of relevant national policy, standards/guidance and frameworks while at the same time monitoring national and international evidence to look for opportunities to learn and innovate.
- Provide clinical leadership and expert advice, taking responsibility for improving the delivery of Gynaecology services across the system. To include transformational work and the establishment and development of Women's Health Hubs.
- Promote a collaborative approach to Gynaecology management, including working at scale where appropriate, fostering learning and sharing through the provision of

strategic leadership across the MSE system and wider pan Essex Gynaecology commissioned services.

- Inform and co-ordinate Alliance strategic and operational objectives for Gynaecology care pathways working closely with Alliance Clinical Director and clinical leads.
- Actively manage the primary, community, social services and secondary care interfaces seeking opportunities to join up services where possible with a focus on the development of neighbourhood networks within the system.
- Secure effective engagement with clinicians and other professionals at all levels and encourage cross professional collaboration to deliver service improvement that fully respects the user's voice.
- Attend any scheduled meetings, including the System Clinical Leaders forum, participating actively providing a bi-monthly verbal update (written if not able to attend) and completing any actions in a timely manner.
- Attend any relevant troubleshooting meetings and support, where appropriate, investigations including analysis of clinical and other incidents, review research and national guidelines to improve practice and provide judgment where medical practice may differ.
- Actively support the ICB to discharge its responsibilities for equality, diversity and inclusion.
- Act in a way that is compliant with the ICBs Constitution, Standing Orders and Standing Financial Instructions in the discharge of responsibilities.

- Assesses and manages risk, is accountable for their own actions, and those of their team.
- Is adaptable and able to carry out multiple tasks or projects.
- Is open and responds constructively to change and copes with uncertainty.
- Supports other colleagues and co-workers and promotes positive relationships within team and beyond.
- Learns continuously, reflects on their practice and encourages others to reflect on their practice.
- Identifies personal learning goals and plans for the achievements of these.

## **ORGANISATIONAL DUTIES**

### **CODES OF CONDUCT**

The ICB requires the highest standards of personal and professional conduct from all of its employees. All employees must comply with the Code of Professional Conduct appropriate to their professional governing body and to the ICB's Code of Conduct.

### **EQUAL OPPORTUNITIES**

The ICB is committed to equal opportunities that affirms that all staff should be afforded equality of treatment and opportunity in employment irrespective of sexuality, marital status, race, religion/belief, ethnic origin, age or disability. All staff are required to observe this standard in their behaviour to fellow employees.

### **SAFEGUARDING CHILDREN, YOUNG PEOPLE AND ADULTS AT RISK**

Safeguarding is a key priority for the ICB. Staff must always be alert to the possibility of harm to children, young people and adults at risk through abuse and neglect. This includes being aware of the adults who may find parenting difficult. All staff should be able to recognise the indicators of abuse and know how to act on them, including the correct processes and decisions to be undertaken when sharing information. The depth of knowledge staff work from must be commensurate with their role and responsibilities (as per Intercollegiate Document 2014). All staff must follow the safeguarding policies, procedures and guidelines, know how to seek specialist advice and must make themselves available for training and supervision as required.

### **CONFIDENTIALITY**

All employees are required to observe the strictest confidence with regard to any patient/client information that they may have access to, or accidentally gain knowledge of, in the course of their duties. All employees are required to observe the strictest confidence regarding any information relating to the work of the ICB and its employees. Staff are required not to disclose any confidential information either during or after their employment with the ICB, other than in accordance with the relevant professional codes. Failure to comply with these regulations whilst in the employment of the ICB could result in action being taken.

## **DATA PROTECTION**

All employees must adhere to appropriate ICB's standards/policies in respect of the use of Personal Information, including guidance on the use and disclosure of information. The ICB also has a range of policies for the use of computer equipment and computer-generated information. These policies detail the employee's legal obligations and include references to current legislation. Copies of the Policy on the Protection and use of Personal Information and other Information Technology can be obtained from the ICB.

## **HEALTH AND SAFETY**

The ICB expects all staff to have a commitment to promoting and maintaining a safe and healthy environment and be responsible for their own and others welfare.

## **RISK MANAGEMENT**

All staff will be responsible for adopting the Risk Management Culture and ensuring that they identify and assess all risks to their systems, processes and environment and report such risks for inclusion within the ICB Risk Register. Employees will also be required to attend mandatory and statutory training, report all incidents/accidents including near misses and report unsafe occurrences as laid down within the policies.

## **GOVERNANCE**

All staff have a responsibility to be aware of governance arrangements and ensure that the reporting requirements, systems and duties of action put into place by the ICB are complied with.

## **POLICIES & PROCEDURES**

All employees are expected to comply with all the policies and procedures drawn up by the ICB.

## **NO SMOKING POLICY**

The ICB is a 'no smoking organisation' therefore staff are not permitted to smoke whilst on duty. All NHS staff are expected to recognise their role as ambassadors for a healthy lifestyle. As such, staff should not smoke whilst in uniform, in NHS vehicles or on ICB or other health care premises.

## **INFECTION CONTROL**

All staff must observe the code of practice for the prevention and control of infections (updated 2015) and ensure that they understand and implement their responsibilities in the prevention and control of infection.

## **DISCLOSURE & BARRING SERVICE (DBS) CHECK**

If the post is one that requires a disclosure (at whatever level) from the DBS, the organisation retains the right to request that a further disclosure is sought at any time as deemed to be appropriate. Where an appointment has been made and the ICB is awaiting the outcome of a DBS check which subsequently proves to be unsatisfactory, the employment will be terminated.

## **CRIMINAL CONVICTIONS**

If, during the course of their employment, an employee is convicted of or charged with a criminal offence (with the exception of a traffic offence) whether it arises from their employment or otherwise, the employee is required to report the matter to the Human Resources Department who will decide on the appropriate course of action. Should an employee be convicted of an offence and receive a custodial

sentence, the ICB reserves the right to terminate the contract of employment, after careful consideration of the facts. Failure to report a conviction may itself lead to disciplinary action being taken. Any information will be treated confidentially, except insofar as it is necessary to inform other relevant members of management. Additionally, if driving is part of an employee's duties and they are convicted of any traffic offence, they must report it to Human Resources Department who will decide on the appropriate course of action.

### **MOBILITY**

Employees may sometimes be required to attend at other locations or expected to travel to anywhere within the ICB footprint.

### **OTHER DUTIES**

This job description is not a definitive or exhaustive list of responsibilities but identifies the key responsibilities and tasks of the post holder. The specific objectives of the post holder will be subject to review as part of the individual's performance review/appraisal. There may be a requirement to undertake other duties as may reasonably be required to support the ICB in accordance with your grade/level in the organisation.
