

# GP Educator and Expansion and Quality Lead

Mid and South Essex  
Integrated Care  
System

Applications are invited for a **GP Educator and Expansion Lead** covering the **Mid and South Essex (MSE) footprint**.

**Background:** The NHS Long Term Workforce Plan set a clear strategic focus on increasing the number of GP training places amongst other strategies. To support this, the Training Hub works closely with NHS England Workforce and Education Quality Team and the regional Primary Care School. Our focus is to prioritise the expansion of educational capacity and ensure the quality of learning environments, as well as the performance of multi professional educators.

We are looking for a GP, ideally an accredited Clinical Supervisor and/or Educator, to work within the MSE Training Hub to lead and deliver this important initiative. The role will be responsible for the quality approval process for the organisations (practices and PCNs) and increasing the number of GP Trainers and Training Practices across MSE.

## We will provide

- A unique opportunity to work at a strategic level in a supported environment
- Mentorship and support from senior staff
- 2 sessions per week, fixed term until 31/03/24
- £257.50 per session

If you are looking for an exciting opportunity and are passionate about making a difference, we look forward to your application.

Further details of the requirements can be found in the attached job description and person specification by clicking [here](#). If you would like an informal discussion please contact Dr Sarah Crane, Training Hub SRO via email [sarahcrane@nhs.net](mailto:sarahcrane@nhs.net)

If you wish to apply for this role, please email a current CV and supporting statement describing your professional background, as well as your reasons for applying, considering the descriptors of the role (max 500 words) to [primarycare.workforce@nhs.net](mailto:primarycare.workforce@nhs.net)

**Closing Date:** Sunday 14th April 2024

**Interviews to be held on: 17 April 2024**
