

6 Year HCA to Registered Nurse Pathway

Level 6 BSc Nurse Degree Apprenticeship

From this apprenticeship, you could become a band 5 Registered Nurse or above.

2 Years

Level 5 Foundation Degree in Health and Social Care

From this apprenticeship, you could become a Band 4 Assistant Practitioner, Social Worker and more. It will also enable you to progress to a **Registered General / Mental Nurse apprenticeship**.

Level 5 Trainee Nursing Associate Qualification, Associate Nurse Foundation Degree and NMC Registration.

From this apprenticeship, you could become a Band 4 Nursing Associate. This is a good option if you want to stay at a band 4 level.

2 Years

Level 3 Health and Social Care Senior Healthcare Support Worker Apprenticeship

From this apprenticeship, you could become a Band 3 Health Care Assistant or Occupational Therapy Assistant. It will also enable you to progress to **Level 4 and 5 apprenticeships** to further your training.
